

MARKETING PLAN

My Target Market

- **Elderly living alone:** Focus on autonomy and safety
- **Concerned families:** Looking for peace of mind
- **Caregivers & home nurses:** Tech-enabled assistants

Core Message

"Your safety in their hands, your peace in your pocket"

- **Early detection:** Key to saving lives
- **Simple & reliable:** Easy for all ages

Marketing Channels

- **Optimized Social Media:**
 1. **Facebook:** Videos & success stories for family members
 2. **WhatsApp:** Direct and messaging
- **Specialized Medical Network:**
 1. **Targeted Doctors:** Internists, Cardiologists
 2. **Selected Pharmacies:** Key locations

Lead Capture

- **Landing page:** Clean and easy to navigate
- **Free demo:** Offer interactive and physical demonstrations
- **QR codes:** Place in clinics and pharmacies

User Engagement

- **Health tips:** Provide daily, relevant wellness advice
- **Care Calls:** A mandatory check-in call after two weeks of purchase
- **Onboarding guides:** Step-by-step user instructions

Conversion Strategy

- **Free trial:** Risk-free trial period to reduce friction
- **Subscriptions:** Flexible monthly/annual payment plans
- **Family plans:** Special multi-device offers for families

User Experience

- **Bilingual Catalog:** English and Arabic user guide with visual aids (pictures)
- **Clear alerts:** Audio and visual prompts are distinct and impossible to miss
- **24/7 Monitoring:** Around-the-clock technical and safety oversight

Customer Growth

- **Doctor integration:** Link device data to treating physician's portal
- **Add-on services:**
 - **Ex:** One-touch ambulance request service
- **Feature updates:** Regular enhancements for better measurement

Referrals

- **Reward Discount:** Immediate discount on future purchases for successful referrals
- **Family sharing:** Incentives for linking multiple devices
- **Testimonials:** Feature real-life success stories and reviews
