

Marketing plan for SOTAIRA curtains

Smart and elegant curtain solutions
designed to reduce heat and enhance
interior spaces.

SOTAIRA

Product overview

- SOTAIRA Curtains are decorative curtain solutions designed as part of modern interior décor.
- They help regulate indoor temperature by cooling spaces in hot weather and providing warmth in colder conditions.
- SOTAIRA curtains focus on comfort, texture, and aesthetic balance within the space

Problem Statement

- Many homes and offices lack stylish curtains that provide year-round comfort.
- Ordinary curtains do not help regulate indoor temperature effectively.
- Customers often struggle to find curtains that combine aesthetic appeal with practical comfort.

How does Sotaira solve these problems?

Sotaira Curtains provide stylish decorative solutions that enhance the look of any room.

Designed to regulate indoor temperature, keeping spaces cooler in summer and warmer in winter.

Combines aesthetic appeal with practical comfort, giving customers both style and functionality.

Increase brand awareness: Reach 50,000 social media impressions within the first 6 months.

Drive sales: Sell 500 units of Sotaira in the first 6 months

Establish retail presence: Collaborate with 5 retail or interior décor stockists in major cities within 12 months.

Customer satisfaction: Achieve an average product rating of 4.5 / 5 on online platforms within 12 months

Setting SMART Goals

Marketing Goals & Objectives

Market overview

- The home décor and curtains market is growing steadily, with increasing interest in stylish and functional interior solutions.
- Rising demand for products that combine aesthetics with comfort, especially in urban areas.
- Customers increasingly seek quality, durability, and year-round usability in curtains.

Target Audience

Age: 20 years old and above
(no upper limit)

Gender: Mainly women, but
also men interested in home
décor

Marital Status: Suitable for
all

Location: Urban areas /
major cities

Lifestyle

Interested in interior
decoration, home comfort,
and modern style

Buying Behavior

Willing to invest in quality
curtains, prefer stylish and
functional products, may
compare before buying

Strengths, Weaknesses,
Opportunities & Threats

SWOT Analysis

Strengths

- Elegant design suitable for modern interiors
- Functional: provides thermal comfort (cooling and heating)
- Durable and easy to maintain

Weaknesses

- New brand with low market recognition
- Limited distribution channels initially

Opportunities

- Growing demand for stylish and functional curtains
- Increasing online shopping for home décor
- Potential partnerships with interior decorators and retailers

Threats

- Competitive market with traditional and imported brands
- Price sensitivity of mid-range customers
- Economic fluctuations affecting home décor spending

Durable and easy to maintain: Long-lasting materials for everyday use.

Elegant and versatile design: Enhances interior décor in any room.

Mid-premium pricing: Affordable compared to imported or premium brands, offering high value for money.

Thermal comfort: Helps keep rooms cooler in summer and warmer in winter.

What makes Sotaira unique?
