

Before (Prospect)	 1. My Target Market people who : • appreciate the beauty of real flowers • don't search for just a gift but a meaning that stays for a lifetime • prefer to express their feelings in another way rather than saying it	 2. My Message To My Target Market • A meaning that lasts forever in each flower • Don't just say it, make it a memory that lasts forever • Don't know how to say it ? We will help you	 3. The Media I Will Use To Reach My Target Market “social media” facebook tiktok instagram Pinterest website
During (Lead)	 4. My Lead Capture System • website • offline store • Direct Messages (instagram/messenger/whatsapp) • social media comments	 5. My Lead Nurturing System • Short-form behind-the-scenes videos of making the flowers • Short-form packaging videos • content about the meaning of each flower • tell stories of how people used flowers to say a unique message	 6. My Sales Conversion Strategy • Multiple easy ordering channels (DMs, Website, WhatsApp) • Fast response on all platforms • Call to action : ◦ “Turn it into a memory that lasts forever” ◦ “Define your message –we'll handle the rest.”
After (Customer)	 7. How I Deliver A World Class Experience • A unique card for each flower containing the meaning and an optional note written by the customer • customized wrapping according to the occasion or the message meant to be delivered • Your Order, Your Way: ◦ Effortless home delivery or offline shop pickup. ◦ Effortless ordering across all platforms	 8. How I Increase Customer Lifetime Value • Seasonal collections • Special occasions reminders and discounts (valentine's day ,New year , Eid) • Limited number of out-of-season-flowers • Limited collection of some rare flowers	 9. How I Orchestrate And Stimulate Referrals • Monthly opportunity to win a discount for who shares a post or a story with the meanings of 3 different flowers and tags us • A discount for the customer and his/her friend on their next orders when referring us.
